THE INNOVATIVE HUB IN PRATO

What we offer:

RESEARCH AND INNOVATIVE BUSINESS SERVICES

We offer a variety of high-level solutions in a wide range of sectors and carry out research focused on the needs of private companies and public administrations.

HIGHER EDUCATION AND VOCATIONAL TRAINING

We design curricula that anticipate and match skills' supply with demand.

UNIVERSITY

We manage degree courses for the University of Florence's Prato campus.

OUR MISSION

COMBINE TRADITION AND INNOVATION

Our mission is to operate as a network between the University of Florence and the local economic and political scene, skilling, reskilling and upskilling students, workers and managers according to the market needs and supporting companies through innovative tools to forge new perspectives, develop research and build relationships.

OUR VISION

BE THE IDEAL PLACE TO TRAIN AND INNOVATE

Our vision is to be a nationally and internationally recognised organisation with high teaching standards and excellent results for both our academic and our applied research. This allows us to align the university, private companies and public bodies according to our shared objectives and interests to ensure scientific and cultural progress and sustainable development for future generations.

OUR COMPANY: PIN SCRL

We are a non-profit, majority state-owned limited liability consortium. Since 1992, we have supported ourselves financially through contributions, services and agreements with our shareholders and external bodies, and by carrying out research and training projects with public and private funds. Our shareholders are: University of Florence, Municipality of Prato, Consiag S.p.A., Fondazione CariPrato, Prato Chamber of Commerce, Province of Prato, Saperi S.r.l., SSE S.p.A., Municipality of Calenzano, Confindustria Toscana Nord; BB S.p.A., Confartigianato Imprese Prato; CNA Toscana Centro; S.A.T.A. s.c.a.r.l.; CNA Servizi Prato S.r.l.

Location

Our headquarters is conveniently located in the heart of both Tuscany and Italy and is easily accessible by car and public transport (located in front of Prato Porta al Seraglio railway station). Situated in an extension of the historic building that housed the former "Tullio Buzzi" technical college, our headquarters combines the age-old and the modern, the history of Prato and the experimentation of the university's research centres.
